Before you use this format

- [ ] **Add your lab's details**
  In Word, type your lab's name, address and phone over the words at the top, and add your logo. On paper, print on your letterhead.

- [ ] **Name your method**
  Write the method under the result, such as slide or tube agglutination.

- [ ] **Print the result in words**
  Write the blood group in words too, such as "B Positive".

- [ ] **Have your pathologist check it**
  Have your pathologist check the whole format before you use it for any patient.
